

Clark County Animal Ordinance ALERT

Where: Clark County, NV

What:

- Selling of ALL animals, which includes giving away, is illegal without 4 separate licenses.
- Owning 3 or more animals of any species (except fish and invertebrates) will require a “fancier permit.”
 - Permit only allows 6 animals of any species to be kept;
 - Cost is \$50-\$500;
 - Process is incredibly difficult and time-consuming with no guaranteed approval;
 - Requires annual renewal and inspection from animal control.
- Snake species that reach over 6’ will require an expensive and hard to obtain permit. This applies to baby snakes.
- These snakes will require expensive liability insurance.
- It will be illegal to buy a snake of these species in Las Vegas and take it outside of the city.
- Violators will be fined \$500-\$1,000 and may face up to six months in jail.
- The Humane Society of the United States (HSUS) has hired lobbyists to get this, or a stricter law, passed.
- Hundreds of herpers must take action, speak up, contact County Commissioners, and attend the hearings for any hope to beat this!
- Stakeholders MUST be professional and civil at all times!
